

ABBOTT CLAIM

2023 ABBOTT CLAIM VINEYARD PINOT NOIR

We strive, above all, to produce wines that speak to place. We tread lightly, limiting our inputs and embracing a process that is widely decided in the vineyard; our winemaking remains traditional, and in direct continuity of the naturalistic philosophies that inspire our farming.

This bottling brings to life a holistic expression of our vineyard. In order to preserve their integrity and natural character, grapes are strictly hand-sorted, natively fermented in oak, concrete and stainless-steel vessels with thirty percent of clusters kept whole. The wines are then aged eighteen months in French oak barrels, kept unfiltered and unfiltered ahead of bottling.
